Riversdale School Newsletter - **Term 3 Week 3**

Welcome Cooper Watson

Kia ora e hoa Whanau,

*Resilience
Manawaroa*

Please support the Pool and Bowling Club quiz tomorrow evening. Grab all your children and extended family members, for a fun night out. The approximate cost for power for the pool for last season was \$4,800.00 and key sales are not enough to cover this cost. This does not take into account all the other costs associated with running the pool. **Remember to donate prizes and raffles and send them to school tomorrow.**

Coming Up....

12 August	Pool and Bowling Club Quiz from 6.30pm Community Centre
15 August	BOT Meeting
17 August	Storylines – story tellers at school. Will tell stories in all classes.
31 August	Community Assembly – 1.45pm in the school hall.
12 September	BOT Meeting
28 September	Community Assembly – 1.45pm in the school hall.
30 September	Last day of term 3

Please continue to text the school phone 0275553534 if you or your child/ren test positive for Covid.

If your child is absent from school, **we do need to know why for reporting purposes to the Ministry of Education.**

School bus driver needed. Paul Brown has advised GoBus that he can only drive the Mandeville route for the next month. He will train you, and you get paid a minimum of 2 hours per run. If anyone is interested, can you please contact me 0275553534 – I can give you some idea about the job, or call Paul on 0272224516.

MUD!!!

The school grounds are still very muddy. Please send spare trousers that your child can pull on over shorts, or change into, if they get muddy playing outside. Thank you.

We are in a pandemic. Covid management continues to be characterised by uncertainty, change, compromise, and challenge. Our teachers lead our schools with a focus on engaging students in learning, to aim high and achieve, as we have watched our Commonwealth Games athletes do. Inclusive thinking that creates equitable opportunities has been achieved at the games, and this is what we strive for, for our children. Building resilience, partnering in education with our whanau, and striving to be our best, is what will see us achieve on this road to our new normal.

Here are useful online resources from the Ministry of Health on staying healthy, which you may wish to watch.
